Passport Application**

To avoid long queues in applying for a passport in Manila, schedule an appointment by accessing the DFA website www.dfa.gov.ph and click the Consular Services tab, type your complete name, date and place of birth, and if applicable your old passport number.

Once you have an appointment, it will take you less than an hour to process your passport at designated counters and encoding machines.

To avoid returning to the DFA to claim your passport, avail of any of the following accredited courier services (located at the basketball court) to collect and deliver your passport to you:

1. Air 21
2. DFAMPCI LBC
3. Pilipinas Teleserve, Inc. – ABOITIZ 2GO
4. Tel-PPT LBC
5. WWW Express - DHL

Reminder: Check the Validity of Your Passport

Before travelling, check if the validity date of your passport is at least six (6) months from the date of your departure to avoid problems at the airport.
